

NORTHERN VIRGINIA GUN CLUB

Affiliated with National Rifle Association of America

Newsletter for January, 2007 - Volume 48, No 3

Notes from the President:

As we transition into the new year, the election results for club officers are as follows: Gene Hodgson, President; Chip King, Vice President; Joe Primerano, Executive Officer; Darryl Breitenstein, Treasurer; Ernie Jones, Corresponding Secretary; Perry Fridley, Membership Secretary; Seth Rinaldi, Chief Range Safety Officer. Next month's newsletter will provide updated officer contact information. I thank you for your support and ask that all continue to help volunteer as much as possible.

This month's club meeting will be held at the **Club Annual Dinner to be held on Saturday January 20th, '07** at Ryan's Restaurant in Central Park, Fredericksburg. I would like to thank Janet Asper for all her efforts in coordinating this year's Annual Dinner. Janet has lined up an excellent guest speaker for the event. The form and details are further within the newsletter. I encourage all to consider attending and to support the club's largest social event of the year. Please sign up as early as possible so that we can plan accordingly.

Please be conscientious not to leave the lock opened to the combination number after opening to prevent non members from learning the access combination. The EC requests that you report any trespassers and unauthorized vehicles on facility property. Also, if any destruction of property, the breaking of club rules that cause unsafe conditions, or any dangerous situations and hazards on the range, to report the incident(s) to a club officer as soon as possible and include a brief description. Also, be conscientious and help keep the facility litter free. Pick up any trash and garbage to take out with you. Keep an extra eye out for any activity in impact areas of all the ranges when in use.

As always, I would like to stress the importance of safety by all members and their families and guests while on the facility property. *Happy New Year to all!*

John LoBuglio
President

January 2007 Membership Report:

Please join me in welcoming Howard Swenson, Dale Riddle, Aaron Daye, and Sam Fattori to the Club.

There are five prospective members: Robert Renn, of King George; John Klass, of Fredericksburg; David Jenkins, of LaPlata; Dale Simmons, of Bryans Road; and Gary Bass, of Dahlgren. If anyone has any issues with any of the prospective members, please contact the membership secretary or any club officer with your concerns as soon as possible. If you are sponsoring a prospective member, please provide that person's name to the membership secretary as soon as possible in order to publish it in the newsletter without delay.

We currently have 333 active members in the club, 13 absentee members, and 9 pending members.

Special Note: Please welcome and congratulations to Perry Fridley on his election to the post of Membership Secretary. We wish him well in this new endeavor—"it's a tough job, but somebody's got to do it!"

Mark Varney
Outgoing Membership Secretary

From the XO:

Happy New Year and I hope everyone had a good holiday and hunting season!

There is no scheduled work day this month, but there is lots to do if you are looking for entertainment. The rifle/pistol range needs target backers. If I get to town, I'll get some. If one of you want a work credit, pick up several sheets of Luan (usually the store will cut in ¼ for you) and bring it to the range and give the receipt to Darryl or me. For even more fun, see John Yagla about cutting trees to improve the background for the skeet and trap fields. The 2006 Work Party Credit List is included in the newsletter. Contact me if you didn't get credit for work performed since the last scheduled work day. See you all at the dinner.

Joe

Custom Molded Ear Plugs:

As requested by some of the shotgunners, I've ordered the materials from Environmental Acoustic Research (EAR) to again make the custom molded earplugs. Most folks find these the most comfortable, most effective plugs available, and the EAR Company is a leader in this area. If you want a set, it takes about 20 minutes to have a set made at a cost of \$25 per set. Contact Bob King, (540) 775-5651, or email at The_Kings@netscape.com.

NVGC .22 benchrest:

The new BR season is about to begin.. First match will be 4th Sat. in January.. the 27th We will be trying a little something new this year.. not only will a regular scratch match be held but the scores will also be tabulated with a handicap ... I would like to make sure that everyone has a fair chance at competing..

So, every match will have two winners in each category.. i.e. scratch sporter rifle winner and hdcp sporter rifle winner. It will be a 80% hdcp.

I'm not sure how all this will pan out.. We'll try one season of this and see what gives...End of year trophies will be for first place finishes only.. both scratch and hdcp..

Good luck to all and hope to see you on the 27th

Perry Fridley
Benchrest Chairman
