Affiliated with National Rifle Association of America

Newsletter for June, 2007 - Volume 48, No 8

## Notes from the President:

There will be a club picnic at the next meeting/work party Saturday, June 16. We'll have hamburgers, drinks and chips for members, family and guests. There will also be a member swap/sell event. Bring your guns, shooting gear or any thing else you think other members will be interested in and see if you can sell or trade it on something you need.

There has been no progress with the trail group, so we're still operating the range with safety observers. The scouts were at the range this past holiday weekend. They experienced bullets impacting on the far side of the RR bed when some firing stations were used. They used one observer on the road intersection, and one other to the east observation point. Others have also been using the range with two safety observers in place. So far this is working, however, it is an inconvenience.

At the work party, we will continue with the framing of the old tractor shed for a concrete floor. We also need to do some trimming of the trees on the entrance road. The archery range also can use some trimming.

If it isn't too late, contact Joe Primerano for tickets to the NRA dinner June 9

**Gene Hodgson**

*President*

## From the XO:

Thanks to all that came to the May Workday. For the May workday, there are a couple of small pines near the gate that look like they are about to fall over. Thanks to Seth for his help last month.

Shotgun range:

See Jon

Pistol/Rifle range:

New steps at the 25 yard pistol line.

If someone can bring a loader move the rest of the fill onto the low spots on the range

## **Shotgun Corner:**

Our trap shooters have turned in some pretty good performances at Dunbrooke and Winchester. Chip King shot a really fine 97 in Handicap match at the VTA "Hall of Fame" and earned a yard. Jon Yagla posted a 99 in the singles event. Our informal club matches have been well attended: to win the little 50 on Fridays you will need a 49, 46, 48 in singles, handicap, and doubles, respectively. Visitors to the Memorial Day 50-50 skeet and trap match saw some good shooting, where Jason Falbe ran a nice straight, but couldn't win it all against Jon Yagla's 96. We are working with two fine junior shooters: Kyle Bone (VA) and John Martin (MD). They qualified in competition for slots at the 4H Shooting Sports National Shotgun Championships in June in South Dakota. They have been regulars at the practices and did very well in the 50-50. Martin won the Jim Bumbry "Bumbry's Boy" memorial skeet trophy in a very close match with Kyle Bone. Kyle stumbled a little getting started, lost the trap, and then won the skeet segment. These evenly matched competitors are great shooters and great sports, and will serve Virginia and Maryland well in South Dakota.

Kyle Bone (left) congratulates John Martin on winning the "Bumbry's Boy" traveling shotgun trophy. These junior shooters are headed for the 4H shooting Sports National Championships in South Dakota this month!

Come on out to our Monthly ATA Match June 10 and the 400 target NSSA skeet match June 23 & 24.

**From the Range Safety Officer:**

Again, I would like to thank everyone for doing their part to operate the lower ranges in a safe manner using observers and the club provided radios. Lower range operating procedures remain the same as posted on the target shed and those stated in the previous news letters. If there are any questions regarding any of the operating procedures give me a call, my home number is at the end of the newsletter, and my office is: 540-653-1362, leave a message and a number to reach you. I have had a number of members call with questions concerning procedures, so give me a call if you don't understand the published procedures, you won't be the first.

As the weather warms up, please remember to bring plenty of bug spray, liquids to drink, and a chair for observer duty. As a part of your observing for the line, look down for yourself every once in a while, snakes are out!

If you would like to volunteer for range safety duty in exchange for work credits, give me a call or e-mail me with the date and times that you will be available. I understand there are a group of pistol shooters that meet on Tuesdays at 3:00, Benchrest shoots the fourth Saturday of every month and Cowboy Action the fourth Sunday, times are at the end of the newsletter.

Please pick up your targets and take them with you when you are finished shooting; if you can bring it, you can certainly take it with you and dispose of it. Please turn the radios off when you are finished and lock them up in the box.

That's about it for this month; I will keep everyone posted as to any changes regarding operating procedures.
