Newsletter for January, 2008 - Volume 49, No 3

## Notes from the President:

This is the last article I write as NVGC president. I want to thank all those that helped to accomplish getting our range improvements completed this past year. I think this is the most important thing the club has done. We will need to continue with safety improvements over the coming years in order to maintain a safe range as the community around us continues to grow. Without further improvements, we would most likely not be able to keep the range open. We must ensure that all bullets are kept on our property. As long as we do not allow bullets to impact off our property, we will be able to continue operations. This may involve some expensive constructions, but if you go to the Phelps WMA, off Rt 17 west of Stafford, and look at the range the VGDIF constructed, you will see that it is entirely within our abilities to do all the work ourselves. Of course, this requires members to follow safe shooting guidelines. The Phelps range is an impressive facility, we could have the same facilities ourselves.

Remember our annual dinner meeting **Saturday, January 19<sup>th</sup>, 2008 5 – 8 PM at Ryan's Steakhouse**, Brian Zinns, a national champion pistol shooter will talk about his experiences. Ryans is located in Central Park, Fredericksburg, near the Wall Mart. Please let Steven Murray, ([smur228560@verizon.net](mailto:smur228560@verizon.net)), know if you plan to attend.

The new slate of gun club officers will also be installed at this meeting. Since we had an uncontested slate of candidates, they were all elected.

I hope you all continue to help Ben take over as XO.

All the work records are at work so I can't get them in until Wednesday at the earliest, but I'll see that Ben and Perry get a copy and if anyone wants to see them to make sure I didn't miss any. Let me know and I'll send you a copy.
