Newsletter for November, 2008 - Volume 50, No 1

## **Notes from the President (interim):**

The EC has not been able to contact nor get any information on the whereabouts or status of Ben Manuel. If anyone knows anything at all please contact someone on the EC. The executive committee tries to meet every month to discuss current issues with our club. The last EC meeting was on Oct. 22, 2008 with the following officers in attendance.

Perry Fridley  
Tim Spivak  
Brett Affholter  
Seth Rinaldi

Absent:

Ben Manuel  
Joe Primerano  
Jim Poynor

Those in attendance voted on and passed unanimously the following:

**Work Party Requirements Modified:** The NVGC Executive Committee (EC) decided at the 22 Oct 2008 EC meeting to restructure the work party requirements for members as follows:

- a) *First year of membership:* Each new member must contribute a minimum of four (4) workdays in the first 12 months of membership. New members will be on probation until the completion of their workday requirements. Failure to complete the required work days will result in termination of your membership.
- b) *After the first year of membership:* After the first 12 months of membership, members must contribute a minimum of one (1) workday per year. Members who fail to fulfill this requirement will be assessed a fee of \$15.00 with the following year's dues.
- c) *Members over 60 years of age:* Members over 60 years old are no longer required to perform workdays.
- d) *Members in poor health:* Members unable to work for legitimate health reasons are not required to perform work duties.

**Slate of officers for upcoming election:** The club will vote for the following members at their choice for EC:

Perry Fridley (president)  
Lonnie Frericks (vice president)  
Brett Affholter (treasurer)  
Tim Spivak ( executive officer)

Darryl Breitenstein (membership secretary)  
Seth Rinaldi (range safety)  
Joe Primerano (recording secretary)

*(Acting) NVGC President*

## **From the XO:**

Action Shooting Range Proposed: The Executive Committee will be exploring potential sites and getting cost estimates for establishing a separate action shooting range on the club property. The EC will coordinate these activities with the NVSF. Project plans and cost proposals will be made available to club members. Any members interested in participating in the planning, design and construction of this range are to contact Tim Spivak.

**Tim Spivak**

*Executive Officer*

### **July 2008 Membership Report:**

There are five (5) new prospective members this month. Perry Fridley III of King George, Va., Bill Davis of King George, Va., Paul Atkinson of King George, Va., Christian James of King George, Va. and John Parodi of Dumfries, Va. If anyone has any issues with these new applicants, please contact the NVGC EC and present your reasons.

**Perry Fridley**

*Membership Secretary*

### **Range Safety Notes:**

**THERE WILL BE ONE MORE WORK PARTY, 11/15/08 STARTING AT THE USUAL TIME 0900, WITH A MEETING AFTER. HOPE TO SEE A GOOD TURN OUT, DRESS WARM.**

Club policy states the gate is only left open for functions that are listed in the newsletter. The lock dials are to be spun off the combination and the lock is to be locked. If you find the gate open, find out why it is open, if someone was careless go back and lock up.

There are a extra locks in the ammo can that were used to house the radios in the target frame shed at the rifle/pistol range, if anyone has problems with the gate lock, use one of the those and let any EC member know that the lock has been replaced. You can put the bad one beside the ammo can.

With hunting season in progress please be careful on the range and in the woods. Those hunting, please keep a watchful eye out for people on the trail, hikers are not going to be wearing blasé orange. **BE SURE OF YOUR TARGET BEFORE YOU SHOOT.**

Keep in mind you need a permit to hunt the property. If you have not gotten your new NVGC hunting permit, contact our Hunting Chairman, John Klochak.

Two gongs were installed at the 100 yard line during the last work party and the plan is for another one or two to be installed at the 200 yard line. The gongs are there on a trial basis. If there are no complaints or problems, they can stay. Like anything else on the range, shoot at the gongs not the supporting structure; keep your rounds **ON THE RANGE.**

Please practice basic safety. **EYE** and **EAR** protection are required on the line while shooting is in progress on the lower ranges, forward of the light poles on the skeet and trap ranges. I want to see everyone practice range safety on a daily basis while at the range.

If you are the first person shooting, then you are the Range Safety Officer (RSO) for the range. If there is a group, the group should appoint someone to be the RSO; when that person leaves the range, he/she shall appoint another person, and so on until the last person or group leaves for the day.

I have noticed a decrease in the number of holes through the **TOP** cross members in recent months, try to reduce the number to ZERO. Marksmanship is the ability to hit the intended target, not the surroundings.

The lower cross member on the right side of the 25 yard pistol range seems to take quit a beating, please read below and follow the instructions.

**Target frames are to be used for holding target backers, not clay pigeons, cans plastic bottles, balloons etc.** Staple balloons to target backers if you shoot balloons, hang plastic bottles, etc. with a string from a cross member. **DO NOT** lean anything against an upright to shoot at, build your own frame and set up **in front** of a berm, be sure that your rounds **impact the berm**, and avoid shooting into the ground.

If you remove stools or benches from under the covered part of the line, please put them back when finished. Someone put time and effort into building this equipment for the club. It's YOUR CLUB, so take care of YOUR stuff.

**If you see anyone deliberately destroying club property, report the person or persons to any one of the Executive Committee or any member of the Facility Board.**

Please pick up your targets and take them with you when you are finished shooting; if you can bring it you can certainly take it with you and dispose of it.

**Drive slow to and from the lower ranges and be courteous to anyone walking on the road.**

*Range Safety Officer*

### **Shotgun Corner:**

We just finished a great season of skeet and trap competition. We held four skeet matches and monthly trap matches that were well attended. Our skeet and trap shooters placed in many events across the state, and won their classes and yardage groups at both skeet and trap in the state championships. The competition is pretty much over with for a while, so we will

settle into regular practice sessions to maintain our skills over the winter months. We need more shooters, so come on out and try 'em! There will be regular practices mid day every Sunday all winter.

Toilet Building Progress. The toilet building is up and under roof. We are busy installing windows and doing electrical rough-in. The work is catch as catch can, with big pushes on the work session days. Watch for e-mails as to the work schedule, and contact Jon Yagla, 540-809-7207, if you can work on days other than the regular work session. We now need help with the plumbing rough-in.

**Jon Yagla**

*Shotgun Chairman*

**Benchrest Report:**

First things first....CONGRATULATIONS TO TONY GEMMELLIE FOR WINNING THIS YEARS TOP TROPHY FOR .22 RIMFIRE BENCHREST. WAY TO GO TONY AND GOOD SHOOTING! I have been telling interested shooters about our oyster match. Once again, we are offering up oysters at the November match. And I'll be cooking up a big pot of Brunswick stew. This year's format will be 3 cards with sporter rifle only. A \$5.00 donation will be appreciated with a 100% payback to the winner of aggregate of all 3 cards. Oysters and stew will be free to this year's competitors and a \$8.00 fee will be charged for non-shooters. Come on out and have a great time. I would appreciate some feedback from any who plan to attend. The match will be held on *Saturday, November 22nd at 0830.*

**Perry Fridley**

*Benchrest Chairman*
